

## A New Deal Plan

Deal Town Council is considering producing a medium-term (3-5 year) plan.

The Council believes that a plan may be very beneficial as it can provide clear targets, better focus, improved use of resources and direction in a rapidly changing world.

To produce an effective plan the Town Council wants to start with you and your ideas.

This display is the start of that process of creating a new plan. Here you will see:

- What the Town Council does
- How the Town Council does it
- The Town Council resources
- The role of Dover District Council
- The role of Kent County Council
- Deal Town Council's Current Campaigns

### **Then it's your turn.**

We would like to know from you:

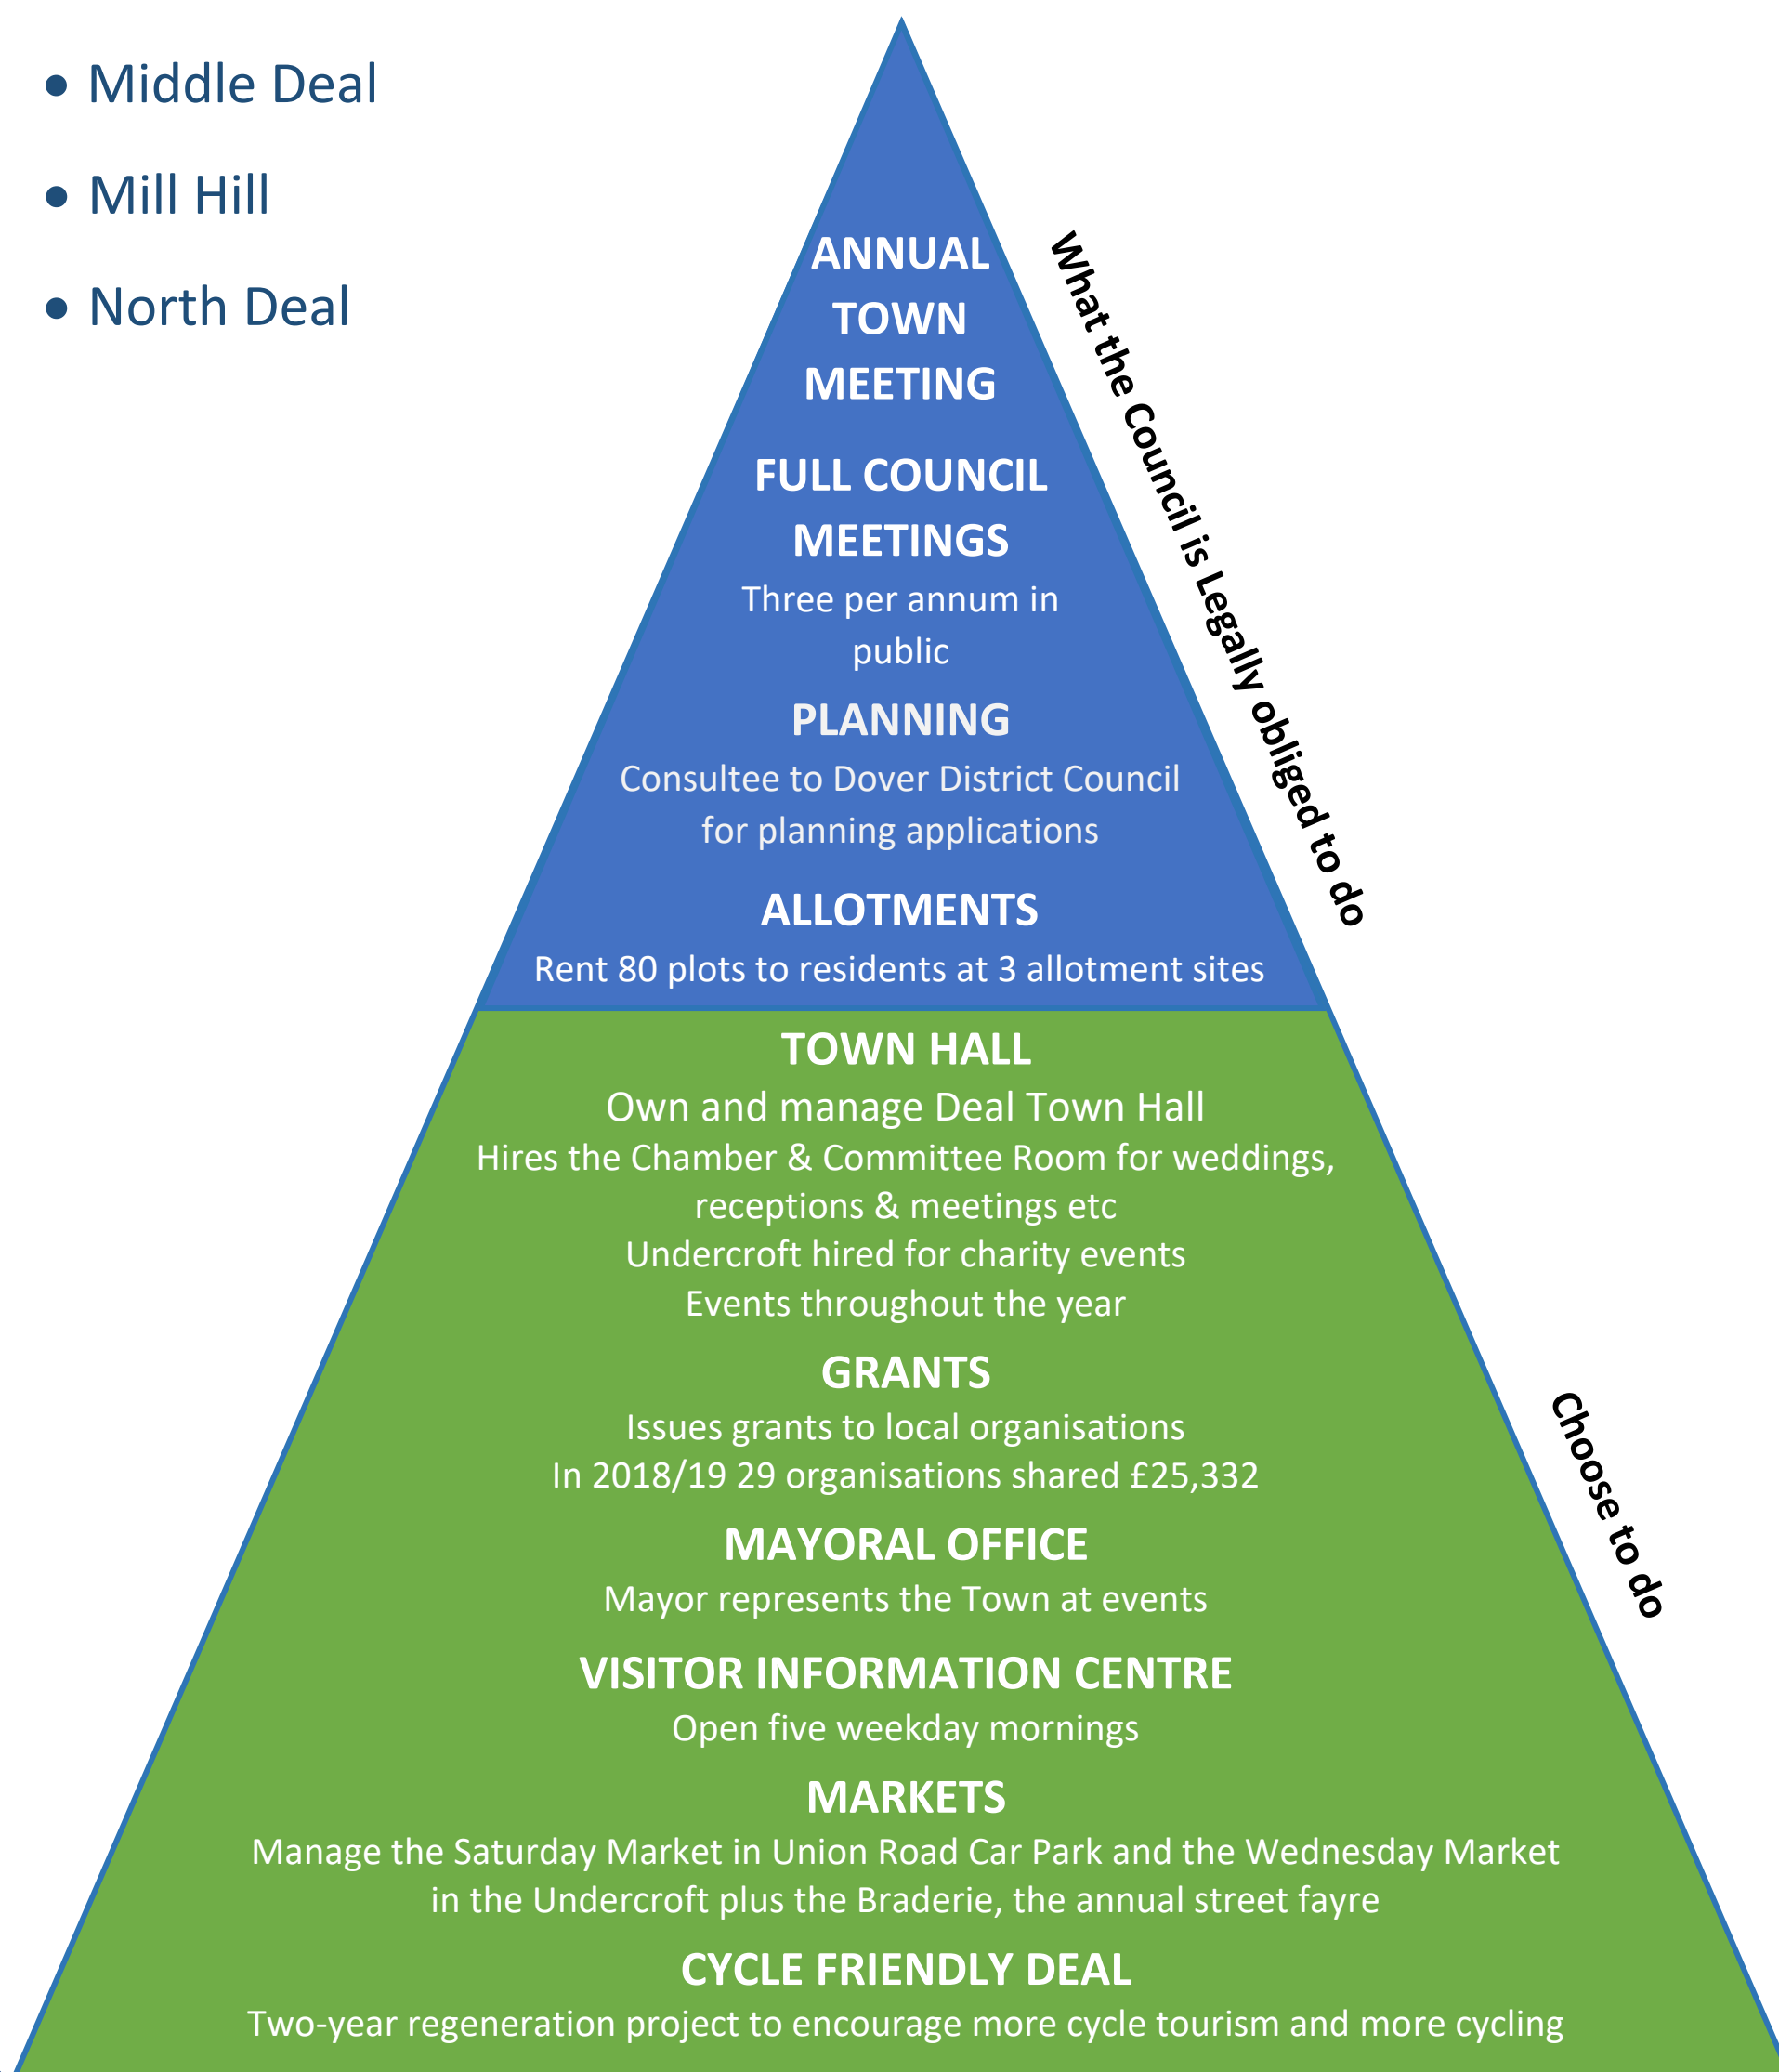

- What's good about Deal?
- What do you not like about Deal?
- What could be done to make Deal even better?
