

Potential Saturday Pedestrian Zone Extension:  
highlighted in green.

## Your High Street

Deal High Street was pedestrianised from South Street to Park Street in 1987. Since then, the retail area has continued to flourish against the general trend across the UK.

The quality of Deal High Street was recognised six years ago when The Daily Telegraph awarded it “*High Street of the Year*”.

To continue this retail buoyancy, Deal Town Council are now investigating the possibility of extending the pedestrianised area:

When: Saturdays only, 8am-5pm

Where: From Park Street to Union Street plus King Street

### Pedestrianisation - Definition

What Deal Town Council means by “pedestrianisation”:

*The following will NOT have access to the High Street pedestrianised zone:*

- *Private Motor Vehicles*
  - *including Blue Badge Holders*
- *Commercial Vehicles*
  - *including delivery vehicles and taxis*
- *Motorbikes*
- *Buses*
- *Bicycles*

*Emergency vehicles will have access*
