Disclosable Pecuniary Interest (DPI)

Where a Member has a new or registered DPI in a matter under consideration they must disclose that they have an interest and, unless the Monitoring Officer has agreed in advance that the DPI is a 'Sensitive Interest', explain the nature of that interest at the meeting. The Member must withdraw from the meeting at the commencement of the consideration of any matter in which they have declared a DPI and must not participate in any discussion of, or vote taken on, the matter unless they have been granted a dispensation permitting them to do so. If during the consideration of any item a Member becomes aware that they have a DPI in the matter they should declare the interest immediately and, subject to any dispensations, withdraw from the meeting.

Other Significant Interest (OSI)

Where a Member is declaring an OSI they must also disclose the interest and explain the nature of the interest at the meeting. The Member must withdraw from the meeting at the commencement of the consideration of any matter in which they have declared a OSI and must not participate in any discussion of, or vote taken on, the matter unless they have been granted a dispensation to do so or the meeting is one at which members of the public are permitted to speak for the purpose of making representations, answering questions or giving evidence relating to the matter. In the latter case, the Member may only participate on the same basis as a member of the public and cannot participate in any discussion of, or vote taken on, the matter and must withdraw from the meeting in accordance with the Council's procedure rules.

Voluntary Announcement of Other Interests (VAOI)

Where a Member does not have either a DPI or OSI but is of the opinion that for transparency reasons alone s/he should make an announcement in respect of a matter under consideration, they can make a VAOI. A Member declaring a VAOI may still remain at the meeting and vote on the matter under consideration.

Note to the Code:

Situations in which a Member may wish to make a VAOI include membership of outside bodies that have made representations on agenda items; where a Member knows a person involved, but does not have a close association with that person; or where an item would affect the well-being of a Member, relative, close associate, employer, etc. but not his/her financial position. It should be emphasised that an effect on the financial position of a Member, relative, close associate, employer, etc OR an application made by a Member, relative, close associate, employer, etc would both probably constitute either an OSI or in some cases a DPI.

Allotment Contractor

At the last meeting of this committee members resolved: To continue with the services of Clean Cut Gardening Deal for the allotment sites maintenance work.

Unfortunately, the Allotment Officer has been advised that the contractor ceased trading at the end of March 2022 and will not be able to accept the renewal of the contract.

The contract was for £390 a day for one day a month.

The Allotment Officer has contacted 5 further potential contractors to take on this work but to date has only had one firm quote for £350 for a day once a month (Contractor A)

Please see your pink papers for details of those contacted and the replies.

Recommendation:

That members consider taking on 'Contractor A' on a 4-month trial basis and for a further report is brought back to the September meeting of this committee.

Park Avenue survey contractor

At the budget setting meeting of F&GP it was highlighted that there was a potential problem on the Park Avenue Allotment site with the stability of the steep bank that bordered properties in Mill Road/Park Avenue. It was agreed that Council should start to plan for what may be a very expensive exercise to sort this out. A sum of £10,000 was added to a new budget line in the 2022/23 budget towards potential costs.

The Allotments Officer has contacted many surveyors for quotations but this has proved very difficult as this appears to be a service only provided by specialists.

Five companies were contacted but only one satisfactory quotation has been received.

Please see details in your Pink Papers.

Recommendation:

Members to consider awarding the survey contract to 'Contractor C' at a cost of £6,590 plus VAT

Market Officer Report

I am glad to advise that as of the 1st June we will be relaunching the Wednesday Market. This will consist of 13 traders different to the Saturday Market, mainly small start-up businesses.

To coincide with the Queens Jubilee week at both the Wednesday and Saturday markets I will be giving away free crowns. This will hopefully bring more footfall to both markets and help with the relaunch of the Wednesday market.

I have entered the paperwork to DDC asking about the Braderie and I am still awaiting their decision. The Gazebos on the Saturday Market have been used for 6 weeks now and have had a great effect on a public relations point of view. In the last 6 weeks since we introduced them, we have had 9 reviews on google business of which 1 was 4 star and the rest were 5 star. In comparison the 6 weeks prior to the new gazebos we had 8 reviews of which 3 were 5 star, 3 were 4 star, 1 was 3 star and 1 was 2 star. I used to get at least one email a week asking either when is the market returning from covid or why is the market so empty. Even though we have been trading with between 32-36 traders a week for the last 12 months, and we came back from covid in June 2020. Since the gazebos I have had no emails asking this.

Also, the number of people that come to me each week is increasing, expressing how much better it looks, especially as they come up the High Street from the Landmark.

For these weeks in line with other markets who have their own gazebos/coverings I have been trialing that all traders, if they wish to use a gazebo, must use ours. They could put sides, backs or other forms of advertising for their business on them as long as it was not detrimental to the safety or damaging to the gazebo. This has gone down very well.

I asked all traders to send me their comments on the gazebos, good or bad, on how they have affected their business. The following are from emails that I have received from traders:

- ★ I thought it looked vibrant as a stall holder I have been looking forward to getting them and know a lot of work went into getting the funding for them (I have my own gazebo but would rather use one of these).
- ★ Wow! They look amazing!
- ★ As a market trader for 5 years, it is a great investment in the market, and the town. You can still put your branding and individuality on the side of the gazebo. It also makes it easier for new people to set up a business without the upfront cost, which can only be a good thing for the town.
- ★ I only need to make one trip whereas with my own gazebos I needed to make 2, secondly this has removed around 175kg from my van.
- ★ It has made the market safer where everyone has access to a good gazebo with enough weights, this reduces the chances of cheaper unweighted gazebos blowing away and causing damage.
- ★ It makes the market look well managed and professional.
- ★ Importantly it means that in bad weather the gazebos can be erected before having to unload the van and the gazebo stays up until the end meaning that stock can be loaded onto the van whilst the gazebo is still up keeping everything dry. Whereas with our own gazebos they have to come off the van last and be put back on first.

Recommendations:

Members to consider an addition to the Saturday Market rules:

1) If traders wish to make use of a gazebo it must be one of the Deal Saturday Market gazebos. They may wish to add sides, backs and other publicity material to the gazebos whilst in their care, if it is not detrimental to the safety or damaging to the structure.

Members to consider these additions to both the Wednesday and Saturday Market rules:

2) Any trader that has more than 4 consecutive weeks off from the market will be asked to move to the casual waiting list and their regular pitch let to a trader who can attend on a regular basis. Only medical circumstances will exempt this where the Market Officers decision will be final.

(This will allow us to manage the market in an easier way, ensuring that we do not lose rental income and offer a full market each week. It was also in the previous rules before I took over the management but was overlooked and not included when the rules were investigated and changed 2 years ago.)

3) Pitches are non-transferable between traders.

(This will help if businesses are taken over by new owners, they will not have a right to the previous owner's pitch. They will have to apply for the pitch like any new trader does for the markets.)

Waste collection review

Since November 2007 Deal Town Council has paid for providing 2 refuse bins at the Landmark centre in exchange for having storage space for the waste bins that were used at the Saturday market.

In September 2020 Full Council Resolved: That Deal Town Council remove the rubbish bins provided at the Saturday Market and that traders would take their rubbish home with them.

Following that decision, the contract for the 3 bins used by DTC for the Saturday Market was cancelled but the contract for the 2 bins used by the Landmark was left in place in case the Saturday Market bins needed to be re-instated.

Traders having to take their rubbish home has been working well since this decision was made and Officers can see no reason that the agreement for space at the Landmark should continue.

The cost of providing these 2 bins is £250 per month.

Recommendation:

That members consider terminating the agreement to provide 2 bins at the Landmark Centre in exchange for supplying storage space for DTC waste bins giving the Landmark Centre 3 months' notice so they have time to organise alternative arrangements.

Mayors Parlour Refurbishment

At the July 2021 meeting of F&GP Phase 1 of the Mayors Parlour refurbishment was discussed at it was RESOLVED: To delegate authority to the R.F.O. in liaison with the Town Clerk and the Chair & Vice Chair of F&GP to select the most appropriate contractors for each element of the project working within an overall budget of £12,000

I am pleased to say that Phase 1 is nearly complete and officers are looking into Phase 2 (the Final phase) that is for the final decoration that will include such things as window drapes and picture hanging systems.

The total allocated budget for the Mayors Parlour refurbishment is £20,200

Recommendation

Members are asked to consider delegating authority to the R.F.O. in liaison with the Town Clerk and the Chair & Vice Chair of F&GP to select the most appropriate contractors for each element of Phase 2 subject to meeting the normal requirements for striving to obtain 3 quotations for each element and working within the remaining budget of £8,200

Subject: Past Mayor Badge Update

Previously, the Finance and General Purposes Committee considered a report from the Town Clerk regarding presenting Past Mayor Badges to retiring Mayors of Deal. The supply of medallions had run out and members were asked to decide on how to continue this for the future.

Members made the following decision:

That Past Mayor Badges should be a Pin Badge and request that the R.F.O presents 3 quotes for making these (as locally as possible) to the F&GP committee for decision, delegating the decision for the design of the regalia to the Town Clerk in liaison with the Chairman of F&GP and the Chairman of the Council

The Town Clerk has been in contact with three local jewellery designers who have all indicated they are keen to assist, and it is hoped that a full report will be ready for the next meeting of this committee with quotes to be considered.

A report on a Deputy Mayoress Chain and Civic Badges for all councillors will also be included in a future committee agenda.

Decision required: To note the report
