Declarations of InterestDisclosable Pecuniary Interest (DPI)

Where a Member has a new or registered DPI in a matter under consideration they must disclose that they have an interest and, unless the Monitoring Officer has agreed in advance that the DPI is a 'Sensitive Interest', explain the nature of that interest at the meeting. The Member must withdraw from the meeting at the commencement of the consideration of any matter in which they have declared a DPI and must not participate in any discussion of, or vote taken on, the matter unless they have been granted a dispensation permitting them to do so. If during the consideration of any item a Member becomes aware that they have a DPI in the matter they should declare the interest immediately and, subject to any dispensations, withdraw from the meeting.

Other Significant Interest (OSI)

Where a Member is declaring an OSI they must also disclose the interest and explain the nature of the interest at the meeting. The Member must withdraw from the meeting at the commencement of the consideration of any matter in which they have declared a OSI and must not participate in any discussion of, or vote taken on, the matter unless they have been granted a dispensation to do so or the meeting is one at which members of the public are permitted to speak for the purpose of making representations, answering questions or giving evidence relating to the matter. In the latter case, the Member may only participate on the same basis as a member of the public and cannot participate in any discussion of, or vote taken on, the matter and must withdraw from the meeting in accordance with the Council's procedure rules.

Voluntary Announcement of Other Interests (VAOI)

Where a Member does not have either a DPI or OSI but is of the opinion that for transparency reasons alone s/he should make an announcement in respect of a matter under consideration, they can make a VAOI. A Member declaring a VAOI may still remain at the meeting and vote on the matter under consideration.

Note to the Code:

Situations in which a Member may wish to make a VAOI include membership of outside bodies that have made representations on agenda items; where a Member knows a person involved, but does not have a close association with that person; or where an item would affect the well-being of a Member, relative, close associate, employer, etc. but not his/her financial position. It should be emphasised that an effect on the financial position of a Member, relative, close associate, employer, etc OR an application made by a Member, relative, close associate, employer, etc would both probably constitute either an OSI or in some cases a DPI.

**DEAL TOWN COUNCIL
MEMORANDUM**

To: Cllr M Eddy - Chairperson of the Planning Committee; Committee Members
From: Laura Marney – Committee Clerk
Date: 16th May 2023
Subject: Delegated Authority – Planning Application Decisions

The planning applications listed below were received at Deal Town Council on the 9th May 2023 and could not be extended by Dover District Council for the Planning Committee meeting on 5th June 2023, and due to the local elections and no members of the Planning Committee elected at this time, the Town Clerk and Committee Clerk actioned these under delegated authority.

The Town Clerk and Committee Clerk liaised with Mr Robin Green from the Deal Society due to his vast knowledge of local and conservation matters.

A collective decision of “No Objection” for both applications was agreed; application 23/00481 needs the work for good conservation practice and application 23/00523 needs the infilling of the ATM as the Nat West bank is closing.

The Committee Clerk loaded these decisions onto the DDC Planning Portal on 16th May 2023.
