## Declarations of Interest

### Disclosable Pecuniary Interest (DPI)

Where a Member has a new or registered DPI in a matter under consideration they must disclose that they have an interest and, unless the Monitoring Officer has agreed in advance that the DPI is a 'Sensitive Interest', explain the nature of that interest at the meeting. The Member must withdraw from the meeting at the commencement of the consideration of any matter in which they have declared a DPI and must not participate in any discussion of, or vote taken on, the matter unless they have been granted a dispensation permitting them to do so. If during the consideration of any item a Member becomes aware that they have a DPI in the matter they should declare the interest immediately and, subject to any dispensations, withdraw from the meeting.

### Other Significant Interest (OSI)

Where a Member is declaring an OSI they must also disclose the interest and explain the nature of the interest at the meeting. The Member must withdraw from the meeting at the commencement of the consideration of any matter in which they have declared a OSI and must not participate in any discussion of, or vote taken on, the matter unless they have been granted a dispensation to do so or the meeting is one at which members of the public are permitted to speak for the purpose of making representations, answering questions or giving evidence relating to the matter. In the latter case, the Member may only participate on the same basis as a member of the public and cannot participate in any discussion of, or vote taken on, the matter and must withdraw from the meeting in accordance with the Council's procedure rules.

### Voluntary Announcement of Other Interests (VAOI)

Where a Member does not have either a DPI or OSI but is of the opinion that for transparency reasons alone s/he should make an announcement in respect of a matter under consideration, they can make a VAOI. A Member declaring a VAOI may still remain at the meeting and vote on the matter under consideration.

#### Note to the Code:

Situations in which a Member may wish to make a VAOI include membership of outside bodies that have made representations on agenda items; where a Member knows a person involved, but does not have a close association with that person; or where an item would affect the well-being of a Member, relative, close associate, employer, etc. but not his/her financial position. It should be emphasised that an effect on the financial position of a Member, relative, close associate, employer, etc OR an application made by a Member, relative, close associate, employer, etc would both probably constitute either an OSI or in some cases a DPI.

**Planning Application 23/01449: 56 Church Path, Deal  
Erection of single and two storey front, side and rear extensions and detached garage  
(existing side extension and garage to be demolished). (As Amended).**

This application was received at Deal Town Council with a closing date of the 21<sup>st</sup> November 2024, unfortunately DDC were unable to provide an extension to coincide with our December Committee meeting. The Town Clerk therefore authorised this decision to be made under delegated authority.

DTC previously commented “No Objection” to this application when it came to committee in February 2024.

Following a discussion on the details of this amended application, the Chairperson, Vice Chairperson, Town Clerk and Committee Clerk all agreed to a comment of “No Objection” and this decision was then loaded onto the DDC Planning Portal.

The housing design is not part of the DDC local plan and does not meet appropriate housing needs. 2 small screen cinemas are not viable, the covenant on the Regent was for a suitable cinema for the town.
