#### **Declarations of Interest**

#### **Disclosable Pecuniary Interest (DPI)**

Where a Member has a new or registered DPI in a matter under consideration they must disclose that they have an interest and, unless the Monitoring Officer has agreed in advance that the DPI is a 'Sensitive Interest', explain the nature of that interest at the meeting. The Member must withdraw from the meeting at the commencement of the consideration of any matter in which they have declared a DPI and must not participate in any discussion of, or vote taken on, the matter unless they have been granted a dispensation permitting them to do so. If during the consideration of any item a Member becomes aware that they have a DPI in the matter they should declare the interest immediately and, subject to any dispensations, withdraw from the meeting.

#### **Other Significant Interest (OSI)**

Where a Member is declaring an OSI they must also disclose the interest and explain the nature of the interest at the meeting. The Member must withdraw from the meeting at the commencement of the consideration of any matter in which they have declared a OSI and must not participate in any discussion of, or vote taken on, the matter unless they have been granted a dispensation to do so or the meeting is one at which members of the public are permitted to speak for the purpose of making representations, answering questions or giving evidence relating to the matter. In the latter case, the Member may only participate on the same basis as a member of the public and cannot participate in any discussion of, or vote taken on, the matter and must withdraw from the meeting in accordance with the Council's procedure rules.

#### Voluntary Announcement of Other Interests (VAOI)

Where a Member does not have either a DPI or OSI but is of the opinion that for transparency reasons alone s/he should make an announcement in respect of a matter under consideration, they can make a VAOI. A Member declaring a VAOI may still remain at the meeting and vote on the matter under consideration.

#### Note to the Code:

Situations in which a Member may wish to make a VAOI include membership of outside bodies that have made representations on agenda items; where a Member knows a person involved, but does not have a close association with that person; or where an item would affect the well-being of a Member, relative, close associate, employer, etc. but not his/her financial position. It should be emphasised that an effect on the financial position of a Member, relative, close associate, employer, etc OR an application made by a Member, relative, close associate, employer, etc would both probably constitute either an OSI or in some cases a DPI.

#### Dear Mr Bone

#### Completion of the audit for the year ended 31 March 2024

We have completed our audit for the year ended 31 March 2024 and I have pleasure in enclosing the certified Annual Governance and Accountability Return. The External Auditor's Certificate and Report is given in Section 3.

If there are any significant matters arising from the audit, they are summarised in the External Auditor's certificate in Section 3. If we have identified minor scope for improvement we have recorded this on page 2 of this letter. The Council must consider these matters and decide what action is required. In most cases this will be self-evident. In some instances we have referred to further guidance available, in particular, in the publication "Governance and Accountability for Local Councils - A Practitioners' Guide (England) 2023. This can be obtained via your NALC or SLCC branch, or downloaded free of charge.

#### Action you are required to take:

The Accounts and Audit (England) Regulations 2015 set out what you must do at the conclusion of the audit. In summary, you are required to:

Publish (which must include publication on the authority's website) a statement on or before 30 September to confirm:

- that the audit has been concluded and that the statement of accounts has been published;
- the rights of inspection conferred on local government electors by section 25 of the Local Audit . and Accountability Act 2014: and
- the address at which, and the hours during which, those rights may be exercised. .
- Keep copies of the Annual Governance and Accountability Return for purchase by any person on . payment of a reasonable sum.
- Ensure that the Annual Governance and Accountability Return remains available for public access for a period of not less than five years beginning with the date on which the Annual Governance and Accountability Return was first published.

Details about our audit registration can be viewed at www.auditregister.org.uk under reference number C001139861. VAT number: GB 839 8356 73

The Accounts and Audit (England) Regulations 2015 do not specify the period the Completion Notice needs to be on the council's website but this period must be reasonable.

#### Minor scope for improvement in 2024/2025

The Council has left Box 10 in Section 2 of the Annual Governance and Accountability Return (AGAR) blank. Although the answer could be inferred from other answers on the AGAR the Council should ensure all boxes are filled in, marking nil or not applicable where appropriate.

#### Accessibility regulations

We are aware that the Accounts and Audit Regulations requirement for a physical 'wet ink' signature on the original AGAR, does not allow parish council's to fully comply with the Accessibility Regulations. The National Audit Office are aware that the two pieces of legislation are not compatible, therefore smaller authorities are advised to make it clear on their website that the document is a scan and will not be fully compliant with the Accessibility Regulations.

#### Audit fee

Our fee note for the audit, which is in accordance with the audit fee scales set by SAAA, and available at <u>Audit Fees | Smaller Authorities' Audit Appointments (saaa.co.uk)</u> will follow.

We would be grateful if you could arrange for this to be paid at the earliest opportunity.

Yours sincerely

## Section 3 – External Auditor's Report and Certificate 2023/24

#### In respect of

**Deal Town Council** 

#### 1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a limited assurance review is set out by the National Audit Office (NAO). A limited assurance review is not a full statutory audit, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02 as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website -

https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/ .

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

summarises the accounting records for the year ended 31 March 2024; and

confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

#### 2 External auditor's limited assurance opinion 2023/24

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the authority:

Not applicable.

#### 3 External auditor certificate 2023/24

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2024.

| *We do not certify completion because: |                                  |            |                   |

- 2. The Annual Governance & Accountability Return is available for inspection by any local government elector of the area of the Council on application to:

Announcement made by: Paul Bone, Responsible Finance Officer, Deal Town Council Date of announcement: 27<sup>th</sup> September 2024

To: Councillor T Bond Chairperson of the Finance & General Purposes Committee, Committee members

From: Mr P Bone, Responsible Finance Officer

Date: 11 November 2024

Subject: Deal Braderie 2025.

For 2024 a budget of £2,400 (excluding staff time) for holding a street Braderie event plus up to  $\pm 300$  for advertising to be paid from the Braderie income was agreed. A total cost £2,700 (plus staff time on the day)

The actual costs for the Braderie were:

| Road Closures | £740.00 Plus VAT |
|---------------|------------------|
| First Aid     | £558.80 Plus VAT |
| Event WC      | £245.00 Plus VAT |
| Licence       | £670.00 No VAT   |
| Stewards      | £368.00 Plus VAT |
| Advertising   | £120 Plus VAT    |
|               |                  |

Total £2,701.80

The additional staffing costs for the day were £1,215.81

#### Stalls

A total of 66 stalls were taken up: 47 public and 19 shops.

Due to the low take up of stalls and the number of concessions given to shops, the expected income of  $\pounds4,500$  from stallholders was significantly lower at  $\pounds2,060$ 

The costs summarise as: -

| Stall Holder Income                    | £2,060      |
|--|-------------|
| Less direct costs                      | (£2,701.80) |
| Less additional staff costs on the day | (£1,215.81) |

Total Loss £1,857.61

This shows an overall cost to the Council for hosting the Braderie as £1,857.61

(This cost would have been covered by income if all the stall were sold)

Officers have considered ways of holding the Braderie at less costs to the Council.

One of the ideas being explored was by using the part of the Union road Car Cark that is used on Saturdays for the Market.

If approved, this would remove the need for many of the fixed costs associated with a street based event.

Initial informal discussions with DDC re use of the car park have suggested this may be possible.

#### Recommendations

Members to consider if a budget line for a Braderie event in 2025 should be included in the draft 2025/26 Budget.

Members to agree the amount of the budget to be allocated to the Braderie event in 2025.

Members to agree if the use of the Union Road car park should be pursued with DDC as a possible option for the location of a Braderie event for 2025

 Subject: Town Hall Free use request.

A request has been received from the Deal & Walmer Chamber of Trade for free use of the Town Hall Chamber, committee room and kitchen on Saturday 23<sup>rd</sup> November in support of the Christmas light switch on between the hours of 4pm to 9pm. In addition, they have requested using the Council's 'Santa's Grotto Gazebo' in the undercroft from 4pm.

As the request falls outside the times permitted in the Free Use policy, it has been referred to this committee for decision.

Suitable risk assessments have been received for the event.

#### Recommendations

Members are asked to consider the above request for free use of the Town Hall Chamber, committee room and kitchen on Saturday 23<sup>rd</sup> November in support of the Christmas light switch on between the hours of 4pm to 9pm and use of the Council's 'Santa's Grotto Gazebo' in the undercroft from 2pm.

 Subject: Christmas Decorations.

Last year a large Christmas tree was placed in the undercroft that was sourced from a local garden centre. It was decorated with old decorations and borrowed lights. (The tree was sent for recycling after the event)

The Council received many compliments on the display.

Officers would like to make this an annual event, and this year would like to similarly decorate the undercroft. To achieve this, I propose a one-off purchase of decorations and similar tree (that will be recycled after the event), and then allocate a yearly budget for the purchase of a tree and the cost of maintaining/replacing any failed/broken decorations including those used internally.

#### Recommendations

- 1. Members to consider agreeing a one off budget of £1000 to purchase this year's tree, decorations for the tree and decorations for the undercroft to be used on a yearly basis.
- 2. Members to consider agreeing that a regular budget line of £250 is included in the Council's annual budget for the purchase of a tree and the cost of maintaining/replacing any failed/broken decorations.

 Subject: Town Hall event/meeting chairs

The current chairs being used for meetings/events are now over 15 years old and many are starting to fail/break.

Officers have researched possible replacements with higher weight carrying capacities and have found suitable chairs that are tested to 200kg (31.5stone). The current chairs are only rated at 115kg.

A total of 100 chairs would be required to replace the existing chairs at a cost not exceeding  $\pm 3,000$ 

These chairs come in a variety of colours as shown below

#### Recommendation

Members are asked to consider agreeing that a line is included in the 2025/26 draft budget for  $\pm$ 3,000 for replacement chairs.

 Subject: National Pay Award

Kent Association of Local Councils (KALC) have advised Deal Town Council of the agreed national pay award figures for 2024/25.

In accordance with staff contracts of employment this must be applied and backdated to 1<sup>st</sup> April 2024.

This back-dated pay will show as unusually high salaries and associated National Insurance and Pension contributions when reported in the November payments.

The award ranges from 3% to just under 6% dependent on the individual pay scale points of staff.

The award is just above the estimate included in the current salaries budget and any potential overspend should be minimal.
